We inform you that l'ASD Ginnastica Moderna, based in Via Topaligo (45), n. codice fiscale 80013080934, mail info@asdmodernasacile.it, will process your personal information according to article 13 of the GDPR, concerning the following criteria

1) Parties involved in the transmission of information.

Interested party – the person providing the personal information and to whom is addressed in this information;

Data Controller – ASD Ginnastica Moderna which collects, processes, and stores the information;

Data Processor – the person responsible for processing the information;

Third parties–the one who receives the information for ASD.

2) The processing of the information

The collection and processing of your information will be completed after your given consent. The processing may occur on paper, electronically, by computer or internet for reasons indicated in art. 4 of Code and art. 4 n. 2 of GDPR including: registration, organization, consultation, further processing, modifications, removal, use, communication, cancellation.

3) Purpose of the transmission of information

The processing of information, after consent is given, is intended to manage your request for admission to be a member of the ASD, according to the Statuto dell'Ente, to participate in the chosen activity, and membership in Ente di Promozione Sportiva (Corporation of Promotional Sport) or Federation of CONI for amateur sport purposes. The e-mail address in which you provided in the application for membership will be used for communication regarding the management of the membership, including communications for the activities carried out with ASD.

4) Mandatory confirmation

The confirmation is necessary and mandatory for the previously mentioned purposes and a refusal will make it impossible to join the ASD, to register and send information to CONI.

5) How the information is used

The data provided will be processed and used by us, for the purposes indicated for the processing, to ASC – Sports Promotion entity recognized by CONI, and through this to CONI Servizi S.p.A. e Coninet S.p.A., for the finalization of membership. It will be used in full autonomy as Data Processors for their responsibilities. Furthermore, the information, upon request, will be given to Public Administration for legal purposes.

6) Where and how the information is stored

The personal information is stored by the Data Controller (ASD Ginnastica Moderna) on paper and/or on computer, in places located within the European Community. At the request of the interested party, in reference to the information, in reference to the that date, the location will be communicated

7) How long the information will be stored

The information will be stored for the period in which CONI legislation requires. After this deadline, it will be stored for the amount of time required by law and in the end destroyed.

8) Rights of the interested party

By specific request, given to ASD, the Data Controller, by means of registered mail or e-mail, you are able to know your personal information of the corporation, request modifications, rectification, or destruction. You can also complete them, update them or request a copy. Any requests for hard copies that are not stored at the headquarters of the institution will be subject to payment of shipping costs. You may also, in the same method, withdraw consent, object to the processing of all or part of the information, or request that it be sent to only third parties you indicate. You can submit complaints with the Guarantor for the protection of personal information if you feel your rights have been violated.

9) How information is verified

Security checks will be put in place in the IT and web through:

- Access control and traceable through ID and Password at different levels;
- Process coding with identification and process division;
- Malware protection system;
- Minimization of information processed.

Physical security checks will be placed by:

- Storage of paperwork in secured locations accessible to authorized personal only;
- Storage of server's physical media in protected area and data backed up;
- Stipulation of accurate contracts regarding the processing of personal information.

Organizational securities will be accomplished through specific training provided to personnel with access to personal information.

Publication and/or dissemination of the images on Ginnastica Moderna website, in printed form and/or other means (Social Network), as well as authorizing the conservation of photos and videos themselves in the archives of the Society and acknowledges that the purpose of these publications are for informative and publicity reasons. This release/authorization can be revoked at any time through written communication by mail or e-mail.
